

Would you like to speak with someone?

We know that when parents have a concern that relates to their child at school, whether it's pastoral, curriculum or staffing in nature, they often feel the best way forward is to ask to see the head or deputy heads. In our experience, many of these concerns can often be most quickly resolved by talking first to the class teacher.

Learning Concerns <i>Learning concerns will be related to homework, progress, in-class difficulties</i>	Pastoral Concern <i>Pastoral care could be emotional wellbeing or personal problems</i>	Concern relating to particular learning or physical needs <i>Relating to a special need, maybe an adjustment is required to support learning e.g. issues related to ASD, Dyslexia or physical disabilities</i>	Issues relating to staff	Concerns and queries relating to school administration, school events or attendance
