Dear Parents/Carers,

Choir Club at Rye Community Primary School

My name is Ellie Thompson and I am one of the Vocal Tutors at East Sussex Music. I am very excited to be offering an after school choir club for children in Key Stage 2 at Rye Community Primary School as part of my schedule of lessons and workshops on behalf of East Sussex Music. The choir will take place on a Wednesday after school from 3-4pm starting from 13th October. Places are currently limited to twenty so please do not hesitate to get in touch if your child is interested in taking part.

Being part of a choir provides children with an experience that enriches their lives in so many ways. Children will learn musical skills that help develop a lifelong love of music, and research has shown that there are many other benefits associated with being part of a choir, including:

- *raising confidence and self-esteem*
- *improving teamwork, concentration and many other skills for learning*
- *connecting with new people and broadening horizons*
- *improving their well-being by becoming happier and healthier*

If you would like to find any more information on the organisation that I work for, you can do so here: www.eastsussexmusic.org. If you have any questions, please contact me at ellie.thompson@brightondome.org or Fran Brassleay at fbrassleay@ryeprimary.co.uk.

I look forward to welcoming your child to Rye Community Primary School's choir.
