Dear Resident,

RE: ESSENTIAL TREE SAFETY WORKS – TILLINGHAM AVENUE, RYE.

The County Council will be undertaking essential tree safety and removal works within Tillingham Avenue starting on 16th of October, and lasting for 8 days approximately. The works follow on from a visual tree assessment undertaken in summer 2023.

ESCC apologise for any noise and disruption that may occur as these essential works are carried out. Temporary parking restrictions will be introduced on Tillingham Avenue during elements of these works; however we will endeavour to keep this to a minimum.

The works involve the removal of several diseased trees, trees in significant decline, and tapered specimens. All works will be carried out in accordance with health and safety, the best practice of maintaining healthy trees and will focus on retaining habitat of value to wildlife and the users of Tillingham Avenue.

Please contact ESCC if there are any questions.

07871987252

Yours faithfully

Matthew Scott
