11th May 2022

Dear Parents/Carers

To enrich our Term 5 topic on the Rainforests, we have booked "Our Amazing Animal World" to come into school with a range of animals that could live in a rainforest. This will help the children develop their knowledge and understanding of the wider world and give them a hands-on experience of different animals.

The animal handlers are dedicated to offering a forever home to animals in need and they currently have over 100 rescued animals living with them.

If you want to explore more, please visit <http://www.ouramazinganimalworld.com/>

I'm sure you will agree that this is a wonderful experience for the children and will create a sense of awe and wonder. The cost of the visit is £4.90 per child.

Date	Thursday 19th May
Time	During the school day
Clothing	School uniform
Cost	Voluntary contribution of £4.90

Please make payments via ParentPay; this is the same platform we use for booking and paying for school meals. **Please contact the office if you have not yet logged into parent pay and don't have login details.**

Kind regards

Mrs Banks, Mrs Newman and Mrs Akerman
